TOPICAL CLASSES

A JOURNEY THROUGH THE BIBLE

Join us this year as we journey through the entire Bible with F. LaGard Smith's chronological Daily Bible. Each Sunday, we'll draw historical or topical lessons summarizing what we've read together the week before as we get a full picture of the Bible narrative.

Robert McClanahan and Jim Rawlins

AUDITORIUM

WOMEN IN THE WORD

A journey through HIS-story with sisters! We will learn the Bible story chronologically, re-enact cultural practices, hear biblical women tell their story, appreciate the significance of names, see Jesus in the Old Testament, and hear how Bible passages and stories help our sisters today.

HEARING JESUS AGAIN...FOR THE FIRST TIME

Well-known stories can grow dull through familiarity. Jesus' teachings on race, gender, and status in the gospel of Luke were anything but tame orthodoxy. His radical ministry and choices in friends ultimately cost him his life. We follow this Jesus. We need to hear his story again...for the first time.

OVERCOMING

In our life as Christians, we can struggle to overcome many things. Our success in life and in our faith can be determined by how well we overcome the obstacles placed in our path. Join us as we cover topics such as worry, anxiety, temptations, among others.
